WORK EXPERIENCE

INDUSTRIAL DESIGN CO-OP – MIDEA CRC INNOVATION TEAM

Midea America Corp.
January 2025 - May 2025

Worked as the sole Industrial Designer on the CRC Innovation team, collaborating closely with lead engineers on early-phase product development. I supported projects through sketching, CAD modeling in SolidWorks, and light prototyping, while also conducting design and market research to inform concepts. Using tools like Procreate and the Adobe Suite, regularly created and presented decks and visualization materials to communicate design intent and strategic insights.

BIKE MECHANIC

Ernie's Bike Shop
April 2024 - August 2024

Complete service orders such as 3 and 4 star tune-ups. Build bikes for missing models on the floor. Attend to our rental bike fleet. Assist customers on the floor with questions, advice, and checkout. Load and unload bike boxes for shipments.

TAILOR/SEAMSTRESS

2019 - 2023

Schedule fittings and consultations with customers, Greet customers and take measurements/provide fittings, consult with customer of their fit goals for each garment, Execute alterations through hand and machine sewing.
